## *Grappa di Vermentino*

**Grappa di Vermentino**

**Grapes:** Vermentino

**Alcohol content:** 42 % vol.

**Territory:** Municipalities of Luni and Castelnuovo Magra

**Aging:** in steel tanks

### Method of production

Steam distilled brandy obtained from a careful selection of the best Vermentino pomace.

### Tasting

It has a bright white color, an intense and elegant nose, with clear and light aromas, floral and fruity notes of green apple, pear and gooseberry. A gentle grappa, well-structured and with a great finish, long persistence, in which the subtle notes of apple return.

**Cantine Lunæ:** Via Bozzi, 63 – 19034 - Luni, La Spezia
